CALLS FOR PROPOSALS FOR LOCAL PREVENTION AND REHABILITATION PROJECTS

GUIDELINES FOR THE SUPPORT OF PREVENTION AND REHABILITATION PROJECTS

The Hetzler Foundation supports local projects that use prevention to draw attention to the characteristics and negative effects of addictions and dependencies, and that use targeted education to build knowledge about and raise awareness of the threatening effects of addictions.

In rehabilitation, the focus is on promoting self-help groups.

Projects with a regional focus in the Bergstrasse district are supported and promoted, which pursue prevention and rehabilitation with innovative and also proven ideas and approaches.

Applications for funding for 2023 must be submitted by August 31, 2022. Requests for funding that is still available can be made at any time as the need arises.
